BUTLER'S PANTRY

Ground Floor

At our Farmhouse, we have a Butler's Pantry which is fully stocked with all essential pantry staples. Our guests may help themselves to anything they like from the pantry. To maintain our fully-stocked pantry, we kindly ask that our guests let us know what they have consumed so that we can reimburse the extra cost. In the Pantry we have included a price list for reference. And payment can be left in cash directly in the pantry or transferred using our bank details. We hope you will enjoy this convenience and make the most of your stay with us. Thank you for understanding and respecting our request.
